

TOOLS ENGINEER (PUNTA CANA). PUNTA CANA, DOMINICAN REPUBLIC (THE)

ABOUT COMPANY:

FL Technics is a global provider of tailor-made services for aircraft maintenance, repair, and overhaul (MRO), delivering solutions to commercial aviation customers worldwide. FL Technics operates in a vast network of representative offices, hangars, and shop facilities, as well as the largest independent line maintenance stations network across Europe, Asia Pacific, Africa, the Middle East, and Canada.

Recognized as Top Employer of 2026, awarded by the Top Employers Institute, FL Technics demonstrates continuous effort and investments to create a great work environment and ensure the well-being of the ever-growing team in Lithuania and across the globe.

YOUR TASKS:

- Ensure the proper use, cleanliness, storage, and maintenance of ground support equipment and tools.
- Monitor metrological inspections, testing, and certification of equipment, vehicles, lifting equipment, and special tools.
- Supervise the operation, maintenance, and repair of ground equipment, tools, special transport, and lifting equipment.
- Coordinate training for personnel on the proper use of vehicles, mechanization, and ground support equipment.
- Identify process improvement opportunities and report equipment failures, malfunctions, and safety concerns.
- Prepare and manage purchase requests for equipment, tools, spare parts, and maintenance supplies.
- Ensure compliance with company procedures, safety policies, and applicable aviation regulations.
- Maintain accurate records of inspections, maintenance, and equipment status.

WHAT YOU SHOULD BRING:

- University degree in Engineering or equivalent technical qualification.
- Minimum 2 years of experience in a technical, maintenance, or engineering-related role.
- Knowledge of ground support equipment, tools, and lifting equipment.
- Familiarity with metrological inspection and certification processes.
- Advanced computer skills, including MS Office and maintenance-related systems.
- Experience with ground support equipment, tools, or maintenance support operations is preferred.
- Supervisory or coordination experience is an advantage.
- Intermediate English and advanced Spanish.

WORKING AT FL TECHNICS:

- Exclusive experience to the aviation business industry;

- Access to internal training and courses;
 - Supporting and cheering for your success team;
 - Competitive salary range, final offer will be proposed based on your experience and competencies.
