

LINE MAINTENANCE COORDINATOR. VILNIUS, LITHUANIA

We are looking for a dedicated and detail-oriented **Line Maintenance Coordinator** to join our dynamic team. In this role, you will oversee the maintenance and repair of our critical infrastructure, ensuring everything runs seamlessly. If you thrive in a fast-paced environment and have a knack for problem-solving, we want to hear from you! Apply now and be a part of a company that values persistence and excellence.

RESPONSIBILITIES:

Management and Coordination:

- Coordinate administrative operations of Line Maintenance Department and Stations.
- Interface with external suppliers of equipment and services.
- Provide guidance and support for maintenance staff as needed.
- Lead assigned projects by taking responsibility for developing a project plan, overseeing specific tasks, and reporting on progress.
- Coordinate with other departments to ensure seamless aircraft maintenance operations.
- Foster a culture of safety, teamwork, and continuous improvement.

Regulatory Compliance:

- Ensure compliance with all relevant aviation regulations, company policies, and industry standards.
- Maintain accurate records of maintenance activities and ensure proper documentation is maintained.
- Participate in Line Maintenance Department audits.

Resource Management:

- Manage resources effectively, including tools, equipment, and materials.
- Monitor and control maintenance costs to ensure budgetary targets are met.

Continuous improvement:

- Improve the implementation and set up of IT solution for line maintenance.
- Continuous feedback to Lead Engineer on Line Maintenance Department performance.

REQUIREMENTS:

- Bachelor's or higher non-university aviation engineering/mechanic education and not less than 2-year experience in aviation related with aircraft maintenance or continuing airworthiness management; or 5-year experience in aviation related with aircraft maintenance or continuing airworthiness management.
- Fluent English language knowledge (spoken and written).

- Good analytical and communication skills.
- Cooperation and ability to work in team.
- Able to organize maintenance activities in an effective and timely manner.
- Be able to travel for business trips.
- Be flexible regarding working time (if required).

WE OFFER:

- An interesting and challenging position within an international company in a fast-moving and fascinating aviation industry.
- Continuous improvement and the opportunity to gain unique knowledge while working in a highly dynamic organization leading its field of activity.
- Many challenges, participation in various projects, and events.
- Additional Health insurance according to the company policy.
- Possibility to implement innovative ideas and solutions.
- Free gym in the office.
- Free childcare zone.
- Other benefits from Avia Solutions Group.

We will be happy to discuss the specific amount during an interview based on your experience and qualifications.

Salary: from 2700 € to 3600 € (brutto)
