

IT ENGINEER. VILNIUS, LITHUANIA

ABOUT COMPANY:

FL Technics is a global provider of tailor-made services for aircraft maintenance, repair, and overhaul (MRO), delivering solutions to commercial aviation customers worldwide. FL Technics operates in a vast network of representative offices, hangars, and shop facilities, as well as the largest independent line maintenance stations network across Europe, Asia Pacific, Africa, the Middle East, and Canada.

Recognized as Top Employer of 2025, awarded by the Top Employers Institute, FL Technics demonstrates continuous effort and investments to create a great work environment and ensure the well-being of the ever-growing team in Lithuania and across the globe.

FL Technics is part of Avia Solutions Group, the world's largest ACMI provider, operating a fleet of 192 passenger and cargo aircraft worldwide.

YOUR TASKS:

- Travel to remote sites as required for planning, deployment and maintenance;
- Perform remote/onsite diagnostics, provide user support, and coordinate on-site repairs as needed;
- Investigate existing infrastructure and system setups at remote sites; identify areas for improvement or upgrade;
- Propose technical solutions to resolve current and potential issues, considering scalability, reliability, and security;
- Research and identify suitable vendors or third-party service providers to support the implementation of new or upgraded solutions;
- Own IT hardware and its services: 1. Cameras – currently we use Hikvision equipment (plans on switching to Hanwha); 2. Printers – Lexmark, Xerox; 3. Entry control – Kantech, Suprema.

WHAT YOU SHOULD BRING:

- Bachelor's degree or equivalent in Information Technology, Network engineering, or a related field;
- Solid understanding of access control systems and security hardware;
- Experience with print management solutions;
- Good understanding of networking basics (IP addressing, cabling, switches, POE);
- Experience with IT Service Management (ITSM) and ITIL;
- Ability to work independently, prioritize tasks, and manage time effectively while traveling;
- Good communication and documentation skills;
- Ability to adapt to a fast-paced and changing IT environment;
- Flexible working hours and ability to travel;
- Good English.

WORKING AT FL TECHNICS:

- Exclusive experience to the aviation business industry;
- Flexible working hours to promote work-life balance;
- Work remotely for up to one month a year;
- Additional private health and accident insurance;
- Discount system with partnering companies;
- Access to internal training and courses;
- Complimentary in-house gym and other sports activities;
- Supporting and cheering for your success team;
- Competitive salary range, final offer will be proposed based on your experience and competencies.

Seize this opportunity to soar to new heights with FL Technics! Apply now and be part of a globally acclaimed team shaping the future of aviation.

Salary: from 2300 € to 3310 € (brutto)
