B1/B2 LAME (CAIRNS & FAR NORTH QLD). CAIRNS, AUSTRALIA

Welcome aboard!

Who We Are

Skytrans Australia is an Australian airline providing regional Regular Public Transport (RPT), ACMI (Aircraft, Crew, Maintenance, and Insurance), and Charter services, connecting communities across the country. The airline operates a fleet of 11 aircraft, including Dash8 turboprops and Airbus A319 jets. Skytrans Australia is part of Avia Solutions Group, the world's largest ACMI provider, operating 107 aircraft across 6 continents and delivering a wide range of aviation services, supported by over 11,000 professionals across more than 250 subsidiaries worldwide.

About the Role

Skytrans Australia is recruiting to fill two Licensed Aircraft Maintenance Engineer (LAME) positions at our Cairns base. We are currently seeking:

- **B1 LAME**
- **B2 LAME**

These are full-time positions operating on a roster of 5 days on, 4 days off, followed by 4 days on, 4 days off. Shifts include early starts from 5:30am and afternoon shifts finishing around 10:00pm, offering an excellent work-life balance.

For the right candidate, Skytrans Australia **is willing to cover the cost of a Dash 8 type-rating course**, planned for March or April 2027 (date to be confirmed) in collaboration with an approved training organisation. The program will include four weeks of online training, followed by three weeks of practical training, with Skytrans Australia providing Dash 8 aircraft to support the hands-on component.

You will be responsible for:

Whilst working under the supervision of the Engineering Manager and as part of the team of Engineers, this role will typically see you:

- Ensuring maintenance of the Skytrans Australia aircraft is completed and certified in accordance with regulatory, manufacturers and Part 145 MOE requirements
- Ensuring the ongoing serviceability and presentation of company aircraft on a daily basis, carry out scheduled and unscheduled maintenance
- Researching requirements for upcoming maintenance to ensure availability of parts
- Testing of equipment and tooling
- Rectifications of defects away from base
- Contributing to the safety and quality managements system
- Undertaking corrective rectification of aircraft systems

- Completing scheduled aircraft maintenance
- Completing primary line maintenance activities
- May involve travel to other bases if required

Candidates must clearly demonstrate in their application:

- A valid australian CASA B1/B2 Licence
- Experience on Dash 8 desirable, however type rating training will be provided if required
- Thorough knowledge and understanding of maintenance procedures
- Full Manual Driver’s License
- Ability to work effectively as part of a professionally diverse team, but also have the ability to work unsupervised
- High level of attention to detail
- Strong work ethic with the ability to work well under pressure
- Excellent communication and interpersonal skills
- Ability to successfully obtain an ASIC (Aviation Security Identification Card)

Why Join Skytrans?

At Skytrans Australia, you will be part of a supportive operational team delivering essential regional air services and connecting communities across Australia.

As a member of our Engineering team, you will have the opportunity to:

- Play a critical role in maintaining the safety and serviceability of our aircraft.
- Gain exposure to a diverse range of regional operations and destinations.
- Work within a strong safety and Just Culture environment.
- Be part of an organisation that values Honesty, People, Predictability and Ownership.

Our Values

At Skytrans, our values guide everything we do:

- **Honesty** – We are open, truthful and transparent.
- **People** – We care about our people, customers and communities.
- **Predictability** – We deliver safely, consistently and reliably.
- **Ownership** – We take responsibility and continuously improve.

How to Apply:

If you have the skills and attributes, we are looking for (or thereabouts) we would love to hear from you. Please submit your application ensuring you have clearly addressed the selection criteria outlined above.

Please note: Due to the volume of applications, only shortlisted candidates will be contacted. Applicants must successfully complete pre-employment and ongoing medical, drug and alcohol screening requirements. Skytrans Australia is an equal opportunity employer committed to inclusive and fair recruitment practices. We strive to provide a respectful and accessible recruitment process for all candidates. If you require any adjustments throughout the recruitment process, please let us know so we can support your application.
