

HEALTH AND SAFETY MANAGER (RSPP). BERGAMO, ITALY

ABOUT COMPANY:

FL Technics is a global provider of tailor-made services for aircraft maintenance, repair, and overhaul (MRO), delivering solutions to commercial aviation customers worldwide. FL Technics is operating in a vast network of representative offices, hangars, and shop facilities, as well as largest independent line maintenance stations network across Europe, Asia Pacific, Africa, Middle East, and Canada.

FL Technics Wheels & Brakes provides tailored maintenance for aircraft wheels, brakes and related components. We are looking for a **Health and Safety Manager** to join our international team.

YOUR TASKS:

- Develop and implement Health and Safety strategy amongst production facilities in Italy, Hungary and Germany;
- Monitor and assess compliance with relevant health and safety laws, regulations, and company standards and make recommendations to ensure compliance amongst facilities;
- Monitor and evaluate workplace activities to identify potential hazards and risks, develop risk reduction strategies, and prevent accidents or injuries;
- Review, draft, and revise documents relating to occupational safety and health issues and coordinate their implementation and compliance;
- Carry out regular safety audits, inspections, and risk assessments to ensure compliance with safety standards and legal requirements;
- Develop and conduct comprehensive health and safety training programs for all employees;
- Implement a system for investigating any accidents, incidents or near misses;
- Facilitate regular safety meetings to promote a culture of safety awareness and responsibility among all employees.

WHAT YOU SHOULD BRING:

- University degree/post-secondary education (a degree in occupational safety, engineering or a similar field would be an advantage);
- Similar work experience in a manufacturing company, preferably - aviation sector;
- Fluency in English (written/spoken);
- Responsibility, persistence, and proactiveness;
- Occupational health and safety certificate.

WORKING AT FL TECHNICS:

- Exclusive experience to the aviation business industry;
- Access to internal training and courses;
- Supporting and cheering for your success team;

- Competitive salary range, final offer will be proposed based on your experience and competencies.

Seize this opportunity to soar to new heights with FL Technics! Apply now and be part of a globally acclaimed team shaping the future of aviation.
