

LMCC ENGINEER. OTOPENI, ROMANIA

ABOUT COMPANY:

FL Technics is a global provider of tailor-made services for aircraft maintenance, repair, and overhaul (MRO), delivering solutions to commercial aviation customers worldwide. FL Technics operates in a vast network of representative offices, hangars, and shop facilities, as well as the largest independent line maintenance stations network across Europe, Asia Pacific, Africa, the Middle East, and Canada.

FL Technics is part of Avia Solutions Group, the world's largest ACMI provider, operating a fleet of 192 passenger and cargo aircraft worldwide.

YOUR TASKS:

- Acting as the primary technical contact for stations and aircraft operators;
- Supporting troubleshooting and guiding defect resolution in collaboration with line engineers;
- Managing AOG (Aircraft on Ground) situations and coordinating recovery actions;
- Ensuring clear and effective communication with internal teams and external stakeholders;
- Aligning maintenance activities with operational priorities;
- Supporting maintenance planning during transit checks, layovers, and overnight inputs;
- Managing multiple technical events simultaneously in a fast-paced environment.

WHAT YOU SHOULD BRING:

- Aircraft maintenance background (3+ years is considered ideal);
- Experience in line maintenance or MCC environments is a strong advantage;
- Exposure to commercial aircraft types is preferred (Airbus A320 family constitutes a strong advantage);
- Solid understanding of aircraft systems and maintenance processes;
- Strong troubleshooting and analytical thinking;
- Confident decision-making under pressure;
- Excellent communication and coordination abilities;
- Ability to prioritize and manage multiple ongoing issues;
- High level of teamwork and operational awareness;
- Comfortable working with maintenance systems and digital tools.

WORKING AT FL TECHNICS:

- Exclusive experience to the aviation business industry;
- Access to internal training and courses;
- Supporting and cheering for your success team;
- Competitive salary range, final offer will be proposed based on your experience and competencies.

Seize this opportunity to soar to new heights with FL Technics! Apply now and be part of a globally acclaimed team shaping the future of aviation.
