

CHIEF FINANCIAL OFFICER. VILNIUS, LITHUANIA

Join our team as **Chief Financial Officer** and lead the financial strategy of a dynamic, fast-growing company, where your expertise will shape our future success!

As a CFO, you will be responsible:

- For all financial and fiscal management aspects of company operations. We expect you to provide strategic leadership and coordination in the company's administrative, business planning, accounting, and budgeting efforts. In addition, the chief financial officer is accountable for developing a financial and operational strategy, metrics tied to that strategy, and the ongoing development and monitoring of control systems designed to preserve company assets and report accurate financial results.
- For supporting our management, following up on business results and improving processes within our local team. You will be an important member of our management team, reporting to the CEO of the company and in a dotted line - to CFO of Klasjet.
- We are preparing ourselves for some big changes, so it's important that you have a solution-oriented approach, no matter if the problem has to do with operational details, short-term tactics, or long-term strategic vision.

You are the perfect match for us when you have:

- +5 years of experience in various finance roles;
- Strong knowledge of accounting;
- Experience in IFRS is a plus;
- Strong knowledge of annual accounts;
- Prior experience in financial forecasting and planning;
- Prior experience working in an international environment;
- Good knowledge of financial systems;
- Fluent in English (verbally and in writing);
- Control, review usage, operational, and financial data from various sources;
- Knowledge to make recommendations to cost owners to improve financial optimizations;
- Knowledge of developing plans for assigned accounts and tracking performance to plan;
- Assists in the development of optimization policies and guidelines.

We offer:

- You will be part of our management team and work closely with experienced and enthusiastic colleagues. You get the benefits of working in a small team in Vilnius but have the support and resources of a global organization;
- An interesting and challenging position within an international company in a fast-moving and fascinating aviation industry;

- Opportunity to connect and build strong relationships over time with well-known experts from the aviation industry;
- All conditions and opportunities for professional and personal growth;
- Possibility to participate in training programs;
- Possibility to implement innovative ideas and solutions;
- Additional Health insurance according to the company policy;
- Brand new modern office with free gym, open chill spaces;
- Free parking next to the main office building;
- Discounts and special offers from over 50 partner companies in the health, leisure, travel and other industries;
- Children's room where you can leave your kids to play with supervision;
- Other benefits from Avia Solutions Group.

We will be happy to discuss the specific amount during an interview based on your experience and qualifications.

Salary: from 4900 € to 6900 € (brutto)
