

## **MECHANIC. LLEIDA, SPAIN**

At BAA Training, aviation brings people, learning, and daily operations together. At our flight school in Lleida, every role matters in keeping training safe, smooth, and reliable. We are now looking for a Mechanic to join the team, someone who enjoys hands-on work, pays attention to detail, and understands the importance of safety in every task.

### **We promise a highly challenging field and wide scope of responsibilities, which will initially cover:**

- Performing aircraft maintenance tasks in accordance with CAE and aviation standards.
- Taking care of MRO tools and equipment, ensuring proper handling.
- Keeping maintenance documentation up to date.
- Following Senior Engineer's and Technical Manager's instructions.
- Assisting Certifying Staff in daily duties, including troubleshooting and defect rectification.
- Working in accordance with approved company processes.
- Working with company IT systems to monitor and ensure a smooth aircraft maintenance process.
- Participating in daily team briefings.
- Ensuring tasks are completed on time and according to requirements.
- Performing other duties and responsibilities assigned by the direct manager.

### **We dream about a team member who:**

- Has at least one year of experience as a mechanic, preferably in the automotive industry.
- Experience in the aviation industry is considered an advantage.
- Experience working in a regulated environment is an advantage.
- Has demonstrated practical knowledge of the maintenance field.
- Understands maintenance processes; knowledge of aircraft maintenance is an advantage.
- Understands and follows safety and regulatory requirements.
- Basic understanding of aviation safety standards is considered an advantage.
- Is able to identify and report defects and irregularities.
- Has good skills in a Microsoft Office 365 environment or basic computer literacy.
- Is able to work independently and is self-motivated, taking ownership of tasks.
- Has attention to detail and problem-solving skills.
- Is flexible and has good time management skills.
- Is willing to share skills, knowledge, and expertise.
- Has a respectful and positive attitude.
- Uses the English language at an effectively operational level.
- Is motivated to learn and grow in the aviation field.

### **What we offer you:**

- A health Insurance package after 3 months working for the Company.

- Work from home in compliance with company policy.
- Additional holiday days for loyalty after 2 years of work for Company.
- A Wellness Day to take care of yourself and a Birthday Day to celebrate.
- Mental gym to support your emotional wellbeing from Mindletic.
- A shuttle bus service from Lleida city to the airport or parking space near the office.
- Extensive on boarding plan to ease your integration into the company
- An international and multicultural environment in vibrant industry with plenty of challenges to achieve as well as duty trips to headquarters in Lithuania.
- Opportunities to grow. If you're motivated to develop your career, we have plenty of real examples to prove it's possible.

Salary: from 1700 € (brutto)
