SENIOR DATA ENGINEER. VILNIUS, LITHUANIA

Every process and every process step are important in Aviation. Data driven decision making is integral part in Avia Solutions Group.

We help to our subsidiary's companies across the world to improve processes through integrating data into making business decisions using Microsoft data stack: MS Fabric and Power BI.

In R&D department we are looking for a Senior Data Engineer who will help Data Analytics and Reporting team to implement best practices and maturity in our data strategy.

In this position you will:

- Design and develop our Data warehouse.
- Design, develop, maintain and continuously improve ETL/ELT solutions and other key data & analytics infrastructure components.
- Consult our subsidiary's companies about Data warehouse deployment best practices.
- Mentor and coach team members to develop their technical skills and knowledge.
- Perform data analysis tasks, mostly working with transformation and validation.
- Collaborate with other ASG teams to ensure smooth operations.

About you:

- 3+ years of experience as a Data Engineer or similar role.
- Understanding of Data warehouse architecture types.
- Advanced Data warehouse modeling techniques knowledge (Inmon, Kimball, Data Vault).
- Advanced SQL skills with the ability to write and optimize queries (any relational DB, preferably MS SQL).
- Python skills (preferably PySpark).
- Are familiar with cloud data tools.

Would be nice if you:

- Have experience with MS Fabric or other Microsoft data stack tools.
- Have experience with Qlik-Sense/Qlik-View.
- Are familiar with ITSM principles.

Our benefits:

- Highly ambitious and dynamic team, readily supporting and collaborating with colleagues in a multicultural environment.

- Exciting projects in one of the world's most fascinating and innovative industries.
- Possibility to have a hybrid modal.
- Health insurance package in compliance with company policy.
- Brand new modern office with on-site bistro, office bar, free gym, pool and tennis tables, and chill spaces.
- Discounts and special offers from various partners.
- Office bar.
- Children's room where you can leave your kids to play with supervision.
- Gym, pool tables for your physical health and Mindletic for mental health with 5 psychological consultations.
- Free parking or Public transport ticket.
- Electrical cars charging spots near the office.

Salary: from 4462 € to 5785 € (brutto)

Avia Solutions Group is the world's largest ACMI (Aircraft, Crew, Maintenance, and Insurance) provider, with a fleet of 213 aircraft.
