- Lead the month-end and year-end closing processes, ensuring the accuracy and integrity of accounting records while adhering to internal schedules.
- Supervise and support Accounting Team Leads and other key accounting personnel, fostering collaboration and professional development.
- Monitor compliance with local and international accounting standards, tax regulations, and internal company policies.
- Collaborate with and represent the company before government authorities.
- Act as the key contact for complex accounting issues, providing guidance on treatment of unusual or non-standard transactions.
- Drive improvements in accounting processes, internal controls, and system usage across departments.
- Oversee the preparation and submission of statutory financial statements, VAT reports, and other mandatory filings.
- Collaborate closely with the Finance team on budgeting, forecasting, and financial analysis from the accounting perspective.
- Take responsibility for accounting-related projects, including system implementations, policy updates, and cross-departmental initiatives.
- Provide leadership and support to ensure alignment of accounting practices with the company's overall financial strategy.

DO YOU HAVE WHAT IT TAKES?

- Proven experience (5+ years) in accounting roles.
- University degree in Accounting, Finance, or Economics is considered an advantage.
- In-depth knowledge of accounting standards (e.g., IFRS, local GAAP), tax regulations, and financial

reporting requirements.

- Demonstrated success in managing accounting teams and coordinating month-end closing activities.
- Strong understanding of ERP systems (e.g., Business Central, Navision) and proficiency in Microsoft Excel.
- Experience with audits, system implementations, and accounting-related process improvements.
- Excellent organizational and leadership skills, with the ability to manage priorities under tight deadlines.
- Strong communication and stakeholder management skills, both within the company and with external partners.
- Strategic mindset with a hands-on approach and attention to detail.
- Good understanding of written and spoken English.
