

LEAD RESEARCH INTERN. VILNIUS, LITHUANIA

We are a multicultural international company which is well-known in the global aviation industry and beyond. As the top employer in the sector, we are ready to offer a position to Lead Research Intern with a strong drive to thrive in a dynamic, global environment.

As a part of one of the most advanced sales organizations in the B2B segment, you'll play a key role in assisting the sales department in lead generation and analyzing data.

If you're a high-energy professional who thrives on challenges, strategic thinking, and persistence, we invite you to join our team and explore the many career growth opportunities we offer.

Nature of work:

- Updating and controlling information in the database;
- Filter large amount of data in order to get useful information;
- Searching for various information following customer orders
- Target the risk people in our CRM (without GDPR) via LinkedIn.

Requirements:

- Thoroughness, attention to details, inner motivation, responsibility;
- Ability to work with Microsoft Office;
- Fast orientation, critical thinking;
- Knowledge about data retrieval systems;
- Fluent in English language.

We offer:

- Internship at the international aviation company;
- Opportunity to deepen knowledge about aviation;
- Possibility to intern part-time or full time;
- Youthful, multicultural and passionate work team;
- Opportunity to stay after internship.

Salary comment: Please note that this internship is unpaid. However, we are committed to providing a valuable learning experience. If you're eager to gain industry experience and contribute to Locatory.com, we encourage you to apply!
