

EQUIPMENT SUPPLY MANAGER. VILNIUS, LITHUANIA

ABOUT COMPANY:

FL Technics is a global provider of tailor-made services for aircraft maintenance, repair, and overhaul (MRO), delivering solutions to commercial aviation customers worldwide. FL Technics operates in a vast network of representative offices, hangars, and shop facilities, as well as the largest independent line maintenance stations network across Europe, Asia Pacific, Africa, the Middle East, and Canada.

Recognized as Top Employer of 2024, awarded by the Top Employers Institute, FL Technics demonstrates continuous effort and investments to create a great work environment and ensure the well-being of the ever-growing team in Lithuania and across the globe.

FL Technics is part of Avia Solutions Group, the world's largest ACMI provider, operating a fleet of 192 passenger and cargo aircraft worldwide.

YOUR TASKS:

- Ensure the condition and timely maintenance of equipment (tools, ground support equipment) across all stations, including overseeing repairs and preventive maintenance schedules;
- Develop and implement calibration and calendar plans for equipment to prevent service gaps;
- Manage and optimize the equipment budget, particularly for high-value assets, ensuring effective allocation of resources;
- Establish and maintain relationships with suppliers, service providers, and equipment operators;
- Monitor new equipment purchases, market trends, identifying key suppliers, market players, and potential repair workshops to ensure competitive pricing and efficient service;
- Travel to various stations to conduct on-site equipment assessments, evaluating whether equipment needs to be replaced or modified based on operational requirements and condition.

WHAT YOU SHOULD BRING:

- Previous experience with equipment management;
- Understanding of engineering principles, technical documentation, and equipment management processes;

- Higher Education degree in technical field;
- Good Level of English language proficiency;
- Ability to work with technical documents;
- Ability to work in team and independently;
- Ability to travel abroad.

WORKING AT FL TECHNICS:

- Exclusive experience to the aviation business industry;
- Flexible working hours to promote work-life balance;
- Work remotely for up to one month a year;
- Additional private health and accident insurance;
- Discount system with partnering companies;
- Access to internal training and courses;
- Complimentary in-house gym and other sports activities;
- Supporting and cheering for your success team;
- Competitive salary range, final offer will be proposed based on your experience and competencies.

Seize this opportunity to soar to new heights with FL Technics! Apply now and be part of a globally acclaimed team shaping the future of aviation.

Salary: from 2455 € to 2975 € (brutto)
