

AIRCRAFT MAINTENANCE ENGINEER- AVIONICS. MISSISSAUGA, CANADA

ABOUT FL TECHNICS:

FL Technics is a global provider of tailor-made services for aircraft maintenance, repair, and overhaul (MRO), delivering solutions to commercial aviation customers worldwide. FL Technics is operating in a vast network of representative offices, hangars, and shop facilities, as well as largest independent line maintenance stations network across Europe, Asia Pacific, Africa, Middle East, and Canada.

Wright International Aircraft Maintenance Services Inc, subsidiary of FL Technics based in Toronto, is a 30+ years trusted provider of MRO services in Canada, specializing in line maintenance.

We are looking for Aircraft Maintenance Engineers, AME-E to join our team in YYZ.

YOUR TASKS:

- Perform day-to-day on-aircraft Avionics troubleshooting and repair tasks
- Perform maintenance checks on Avionics systems including but not limited to communications, navigation, autopilot, Pitot-static, radar, AC & DC power distribution and aircraft lighting
- Carry out various installations on aircraft
- Operate Avionics test equipment including air data test set, navigation and communications, ATC ramp testers, and other electronic test equipment
- Perform all maintenance activities in accordance with the applicable standards of airworthiness
- Ensure all paperwork for assigned tasks is complete and accurate before submitting to supervisor
- Troubleshoot faulty systems to determine a course of rectification

WHAT YOU SHOULD BRING:

- Hold a valid Transport Canada AME-E aircraft maintenance engineer license.
- Minimum 2 year of licensed AME experience and line maintenance experience is an asset. - Holding the following endorsements: B737-NG/MAX, A320 CL/NEO any additional is a plus!
- Be familiar with the appropriate parts of the MPM, MCM, aircraft operations specifications and maintenance manuals necessary for the performance of his/her duties;
- Applicant must be able to work independently and/or in a team environment and have good organizational skills, pro-active, result-oriented and strive for continued improvement
- Must have Airport Security Clearance (RAIC) including an airside driver's permit (AVOP) for YYZ
- Must be able to work a flexible schedule according to company needs
- Must be legally eligible to work in Canada

WORKING AT FL TECHNICS:

- Valuable experience in a dynamic and multinational environment.
- Opportunities for professional development within the globally driven FLT Group;
- Competitive salary and company pension plan

- Health and dental benefits
- Gym discount, Perkopolis and flight benefits

Schedule: shift, based on a 5-5-4 work schedule

Job Type: permanent

Travel: Yes, approx. 20 %

Wright International would like to thank all applicants, however, only qualified applicants will be contacted.

Salary comment: - € per hour
