

B2 LAME. TOWNSVILLE, AUSTRALIA

Welcome aboard!

Who We Are

Skytrans Australia (formerly SmartLynx Australia), an Australian passenger airline and part of Avia Solutions Group, operates 13 regional aircraft specialising in Regular Public Transport (RPT), charter, and ACMI (Aircraft, Crew, Maintenance, Insurance) services across the Asia-Pacific. As the Group's first ACMI provider in Australia, Skytrans Australia is supported by the world's largest ACMI fleet of 221 aircraft and 14,000 aviation professionals worldwide.

Skytrans Australia is recruiting a B2 full-time Licensed Aircraft Maintenance Engineer to join our Townsville team. Roster: Monday to Friday roster offering excellent work-life balance. Shifts rotate between early starts from 6:00am and afternoon shifts finishing no later than 9:00pm. Work outside these hours, including weekends, is only required in the event of operational delays or special charter flights.

You will be responsible for:

Whilst working under the supervision of the Engineering Manager and as part of the team of Engineers, this role will typically see you:

- Ensuring maintenance of the Skytrans Australia aircraft is completed and certified in accordance with regulatory, manufacturers and Part 145 MOE requirements
- Ensuring the ongoing serviceability and presentation of company aircraft on a daily basis, carry out scheduled and unscheduled maintenance
- Researching requirements for upcoming maintenance to ensure availability of parts
- Testing of equipment and tooling
- Rectifications of defects away from base
- Contributing to the safety and quality managements system
- Undertaking corrective rectification of aircraft systems
- Completing scheduled aircraft maintenance
- Completing primary line maintenance activities
- May involve travel to other bases if required

Candidates must clearly demonstrate in their application:

- A valid CASA B2 Licence
- Experience on Dash 8 300 desirable.
- Thorough knowledge and understanding of maintenance procedures
- Full Manual Driver's License
- Ability to work effectively as part of a professionally diverse team, but also have the ability to work unsupervised
- High level of attention to detail
- Strong work ethic with the ability to work well under pressure
- Excellent communication and interpersonal skills
- Ability to successfully obtain an ASIC (Aviation Security Identification Card)

How to Apply:

If you have the skills and attributes, we are looking for (or thereabouts) we'd love to hear from you. Please submit your application ensuring you have clearly addressed the selection criteria outlined above.

Please note: Due to the volume of applications received, only shortlisted candidates will be contacted. Applicants must be eligible to live and work in Australia as either a citizen or permanent resident and be able to attend and successfully pass pre-employment and continuing medical, drug and alcohol pathology screening. Skytrans Australia is committed to equal opportunity employment through fair recruitment practices.

Queensland-based Australian airline, providing seasonal alternatives to Europe and empowering Avia Solutions Group's ACMI services in the Asia-Pacific.
