MAINTENANCE CONTROL ENGINEER (MCC). VILNIUS, LITHUANIA

RESPONSIBILITIES:

- Monitor aircraft status, control defect rectifications and ensure aircraft airworthiness by scheduling maintenance works following related requirements in accordance with flight schedule;
- Ensure that aircraft maintenance is planned in an effective and reliable manner and meets the company strategies, expectations as well as relevant regulations and requirements;
- Organize aircraft modifications to meet airworthiness and operational requirements;
- Look for maintenance and parts suppliers in new aircraft locations;
- Coordinate aircraft maintenance visit packages with planning and engineering units;
- Track and review technical records after aircraft maintenance;
- Substitute team members during absences and peak workload periods as needed;
- Perform other related duties as assigned.

REQUIREMENTS:

- Bachelors or higher non-university aviation engineering/mechanic education or not less than 12 months experience in aviation-related to aircraft maintenance or continuing airworthiness management;
- Boeing 737 CL/NG general familiarization training certificate would be considered as an advantage;
- Fluent English language knowledge (spoken and written);
- Good analytical and communication skills;
- Cooperation and ability to work in a team;
- Able to understand OEM documents: AIPC; AMM; CMM; etc.
- Be flexible regarding working time (if required).

SPECIAL CONDITIONS:

- The ability to work on a shift pattern of 4 on 4 off - 12 hours shifts consisting of 2-day shifts and 2-night shifts is essential for this position.

WE OFFER:

- An interesting and challenging position within an international company in a fast-moving and fascinating aviation industry;
- Opportunities to further grow and develop in the exciting and growing aviation company;
- Opportunity to improve and constantly acquire new knowledge (participation in training, seminars);
- Possibility to implement innovative ideas and solutions;

- Additional Health insurance according to the company policy;
- Free gym in the office;
- Free childcare zone;
- Other benefits from Avia Solutions Group.

We will be happy to discuss the specific amount during an interview based on your experience and qualifications.

Salary: from 2700 € to 5300 € (brutto)
