- Minimum 3500 flight hours of flying experience
- Minimum 500 flight hours on type as Captain
- Valid EASA Class 1 medical certificate
- Right to live and work in the EU

### **Professional Profile:**

- Strong motivation to operate in diverse destinations worldwide
- Proven leadership skills and the ability to exercise clear command responsibility
- Professionalism and a service-minded approach to safe and efficient flight operations
- The ability to take clear command responsibility while fostering strong crew cooperation
- A positive, "can-do" mindset as a defining personal trait

### **What We Offer:**

- We provide long-term cooperation within a stable and expanding aviation organization:
- Competitive remuneration paid on time
- Permanent service provision contract
- Guaranteed year-round operations
- Block hour payment system
- 10 consecutive days off during winter and 8 consecutive days off during summer
- Additional remuneration, where applicable
- Professional training
- Hotel accommodation during duty periods
- Travel tickets to and from the place of duty
- Career development opportunities within Flight Operations, Training, and Safety departments
- Worldwide operations in a multicultural environment

If you meet the above requirements and are ready to contribute to a dynamic and safety-focused operation, we invite you to submit your application through our Careers page. Suitable candidates will be contacted directly.
