TREASURY ANALYST. VILNIUS, LITHUANIA / HYBRID WORK

We are looking for a **Treasury Analyst** to join our Group Treasury team at the holding company of Avia Solutions Group. In this role, you will gain hands-on exposure to treasury activities across an international group, working with **intercompany financing, banking operations, credit management, and treasury analysis**. You will collaborate with colleagues from different countries and business units, supporting day-to-day treasury operations while contributing to broader Group initiatives and projects.

Key Responsibilities:

Treasury Operations & Analysis

- Manage the intercompany debt portfolio, including loan interest transfer price calculations and payment terms.
- Perform treasury analysis and contribute to ad hoc projects as required.
- Prepare analyses, reports, and presentation materials for management.

Banking & Credit Management

- Support the evaluation and delivery of global banking services to Group subsidiaries.
- Assist with day-to-day banking operations across the Group.
- Support and monitor the implementation of the Group's credit policy.

Contracts & Project Support

- Support contract review and negotiation processes.
- Maintain accurate and well-organized project and treasury documentation.
- Collaborate with internal stakeholders and external partners on treasury-related matters.

Who are we looking for?

- University degree in **Finance, Economics, Accounting, or another related field.**
- **1–2 years of relevant professional experience**, ideally in treasury, international audit, accounting, controlling, or a similar financial role.
- Advanced proficiency in **Microsoft Office**, particularly Excel and PowerPoint.
- Fluent spoken and written English.
- Strong analytical skills and attention to detail.
- A high degree of accuracy and a structured approach to work.
- Confidence in communicating and collaborating with different stakeholders.

What do we offer?

- Hands-on exposure to **Group treasury operations across multiple countries**, providing a strong foundation for professional growth.
- An opportunity to develop your expertise in corporate treasury, banking, intercompany financing, and financial analysis.
- A dynamic and international working environment.
- A challenging role with opportunities to contribute to a variety of treasury initiatives and projects.
- A talented, supportive, and friendly team.
- **Competitive salary of EUR 2,500–3,800 gross per month** for a full-time position, depending on your qualifications and experience.
