

STATION LEAD AME M2. VANCOUVER, CANADA

Full job description

ABOUT FL TECHNICS:

FL Technics is a global provider of tailor-made services for aircraft maintenance, repair, and overhaul (MRO), delivering solutions to commercial aviation customers worldwide. FL Technics is operating in a vast network of representative offices, hangars, and shop facilities, as well as largest independent line maintenance stations network across Europe, Asia Pacific, Africa, Middle East, and Canada.

Wright International Aircraft Maintenance Services Inc, subsidiary of FL Technics based in Toronto, is a 30+ years trusted provider of MRO services in Canada, specializing in line maintenance.

For this purpose, we are looking for our locations: **YVR**

STATION LEAD AME M2

Ready for your next big challenge? If you're an AME with leadership experience, we want you to join our team! We're on the lookout for a Station Lead to help drive our maintenance operations at **YVR**. Reporting directly to the Director of Maintenance (PRM) and the QA Manager, you'll play a key role in our growing team, supporting our diverse clients with their line maintenance needs. If you're looking to make an impact and grow in a dynamic environment, this is the opportunity for you!

YOUR TASKS:

- Oversee and coordinate maintenance operations to ensure aircraft are serviceable, meeting operational requirements and adhering to Transport Canada and client airworthiness standards.
- Plan, manage, and supervise the execution of aircraft maintenance tasks.
- Allocate and manage resources effectively to handle the assigned workload.
- Document delays, incidents, accidents, and other maintenance-related communications.
- Consult with client Maintenance Operations Control (MOC), System Operations Control, and Operations Managers, regarding incoming maintenance issues and aircraft faults.
- Engage with Flight Operations at departure gates to discuss aircraft serviceability, ensuring timely and efficient maintenance to uphold operational readiness.
- Maintain clear communication with all ramp maintenance personnel.
- Manage base inventory and liaison with main stores for material requests and tooling.
- Plan, manage, and oversee the execution of aircraft maintenance activities.
- Other duties as assigned by the Director of Maintenance (PRM) and the QA Manager

WHAT YOU SHOULD BRING:

- Must have a valid AME M2 license and minimum of three endorsements (**B737 NG/MAX , A319, A320CEO/NEO - A330CEO/NEO, A340,A350** preferred)

- Must have a valid RAIC, DA, and AVOP for YVR
- **FAA A&P** an asset
- Previous AME Lead/Supervisor experience required.
- Proficient computer skills (MS Office, Bi2).
- Strong communication skills
- Excellent planning and organizational skills.
- Ability to work independently and in a team.
- Must be legally eligible to work in Canada

WORKING AT FL TECHNICS:

At FL Technics, we don't just fix planes—we also build careers. Here's what we're offering for the lucky candidate who joins us:

- Industry competitive wages ensuring that your skills and contributions are valued and rewarded.
- Health benefits & Group plan, Including drug, dental, and visual coverage
- GRSP matching up to 6% of your annual salary - We match, you save. It's like free money, but better!
- Flight benefits
- Perkopolis discount
- Endorsement courses on various aircraft types. We invest in your growth—because your skills should take off just as much as the planes you work on
- A small team vibe, where your opinion truly matters—you're not just another cog in the machine, you're a valued team member.

If you're ready to embark on a career that's not just "good," but soaring, then apply today!
