

OPERATIONAL EXCELLENCE PROJECT MANAGER. VILNIUS, LITHUANIA

We are currently looking for a **Operational Excellence Project Manager** to join our team, who will help Avia Solutions Group subsidiaries to implement and improve process monitoring tools and the related internal culture.

The new colleague will work closely with the production or administration teams of individual companies in order to ensure the smooth implementation and support of operational efficiency processes. As Lean Facilitator, will lead client's team in changing methodologies and approaches and then coach and mentor to apply these newly developed principles.

Responsibilities for this position will include:

- Global lean management consulting practice operating across the group;
- Monitoring and analysis of business processes in assigned subsidiaries;
- Targeted and purposeful application and promotion of improvement of operational processes;
- Creation of a system of performance indicators in supervised subsidiaries;
- Provision of advanced proposals for operational efficiency and initiation of process improvement;
- Constant communication with employees of supervised companies in order to ensure process support and replication;
- Employee counseling on performance improvement issues;
- Preparing training materials, organizing and conducting trainings;
- Preparation and presentation of performance change reports to management.

We expect the successful candidate :

- Will know LEAN philosophy and/or other process improvement methodologies;
- Will have operational management background with lean / continuous improvement experience ;
- Will have excellent computer skills (MS Excel, MS Word, MS Power Point);
- Will have strong communication skills, a strong sense of responsibility, orientation to the result;
- Will be able to systematize and analyze information;
- Will be able to depict ongoing processes;
- Will speak English confidently and fluently.

What we offer:

- Opportunity to work in a vibrant international and ever-growing business aviation environment;
- Opportunities for professional and personal growth; foreign language trainings;
- Remote/hybrid work possibilities;
- Attractive salary and compensation package;
- Private health insurance;
- Gym, pool tables for your physical health and Mindletic for mental health;

- Children's room where you can leave your kids to play with supervision;
- Work in first of its kind office building with real aircraft inside;
- In-house canteen;
- Parking or public transport ticket;
- Electrical cars spots near the office;
- Discounts and special offers from various partners;
- Salary from 3365 Eur - 4600 Eur including taxes, the final salary range is agreed depending on the experience of the candidate.

Salary: from 3365 € to 4600 € (brutto)

Avia Solutions Group, the world's largest ACMI (Aircraft, Crew, Maintenance, and Insurance) provider, operates a fleet of 221 aircraft on 6 continents. Supported by 14,000 professionals, the group is the parent company to over 250+ subsidiaries including SmartLynx Airlines, Avion Express, BBN Indonesia Airlines, and KlasJet. The group also provides a range of aviation services: MRO (Maintenance, Repair, and Overhaul), pilot and crew training, ground handling, as well as a variety of associated aviation.
