

## FINANCIAL CONTROLLER. VILNIUS, LITHUANIA

Avia Solutions Group Holding is searching for a **Financial Controller** with a strong and self-confident personality, able to work well with others in a fast-paced, dynamic environment, moreover - with demonstrated high degree of accuracy and attention to details.

Avia Solutions Group is the leading aviation business group, operating across all the continents with offices in Ireland, USA, Asia Pacific, UAE, Lithuania, South Africa, Australia. Backed by 11,500 highly skilled aviation professionals, the group is the largest global ACMI (Aircraft, Crew, Maintenance, and Insurance) provider, operating around 200 aircraft fleet. The Group also provides various aviation services such as MRO (maintenance, repair, and overhaul), pilots and crew training, ground handling and other interconnected solutions.

This is a great opportunity to gain hands-on experience in Group-level financial reporting, learn IFRS consolidation in practice, and develop your skills in an international environment. You will work closely with experienced finance professionals, gaining knowledge that will allow you to grow into a senior reporting role over time. This position will focus on supporting monthly Group consolidation in accordance with IFRS, assisting in the Group reporting process, monitoring reporting progress across entities, and ensuring smooth communication with Group Finance.

### Responsibilities:

- Support in organization and oversight of the Group's reporting and financial control function.
- Preparation of monthly consolidation procedures (with senior support and training).
- Analysis of periodic group reporting data.
- Preparation of interim and annual consolidated financial statements.
- Monitoring reporting progress and resolving issues together with local finance teams and Group Finance.
- Regular communication with Group Finance to ensure accurate and timely reporting.
- Working in the Group reporting system, ensuring data quality and consistency while learning system functionalities.
- Assisting in the annual group audit process.
- Participation in projects related to the group accounting function and processes optimization.
- Implementation and development of reporting processes and controls.

### Requirements:

- 1-3 years in financial control, auditing, or reporting (internships and trainee roles also considered).
- Good knowledge of the accounting and consolidation principles (basic knowledge sufficient, willingness to learn further is essential).
- Basic IFRS knowledge and eagerness to develop further (on-the-job training provided).
- High level of spoken and written English.
- MS Office advanced user with high proficiency in MS Excel.
- Experience working in accounting or reporting systems would be an advantage but not required.

- Strong communication skills, ability to coordinate with multiple stakeholders, and problem-solving mindset.
- Curiosity, willingness to learn, and motivation to grow in an international finance environment.

**What we offer:**

- Opportunity to work in a vibrant international and ever-growing business aviation environment.
- Opportunities for professional and personal growth; foreign language trainings.
- Gym and Yoga classes for your physical health and Mindletic for mental health.
- Children's room where you can leave your kids to play with supervision.
- Well-being initiatives focused on creating a healthy, balanced and engaging work environment.
- Various benefits related to employee life-cycle in organization.
- Parking or public transport ticket.
- Electrical cars spots near the office.
- Discounts and special offers from various partners.
- Salary from 2500 EUR gross, depending on experience.

Salary: from 2500 € (brutto)

---

Avia Solutions Group, the world's largest ACMI (Aircraft, Crew, Maintenance, and Insurance) provider, operates a fleet of 209 aircraft on 6 continents.
