

HEAD OF ENTERPRISE APPLICATIONS. VILNIUS, LITHUANIA

Avia Solutions Group is the world's largest ACMI (Aircraft, Crew, Maintenance, and Insurance) provider, operating a fleet of around 200 aircraft worldwide and the parent company of over 250 subsidiaries. The group offers a wide range of aviation solutions, including MRO (Maintenance, Repair, and Overhaul), pilot and crew training, ground handling, and other related aviation services. Supported by 14,000 highly skilled aviation professionals, the group operates across 6 continents.

We offer work in the Digital Technologies (IT) department, acting as a central unit for managing strategic, innovation and IT projects and programs. Our department provides services to subsidiary companies related to IT Governance & Management, IT Service Delivery, IT infrastructure services, workplace IT support and ServiceDesk, Enterprise Applications (Digital IT Solutions, ERP), Cybersecurity.

We are looking for **Head of Enterprise Applications** (Business IS manager) to lead the strategy and management of group-wide applications and delivery teams. In this role, you will be responsible for the entire software deployment lifecycle, ensuring that our application portfolio is aligned with organizational objectives and delivers business value and is maintained and supported.

In this position you will:

- Lead teams and technical product managers responsible for enterprise applications deployment and data analytics solutions (20 people).
- Develop enterprise applications strategy for application use, integration, improvements to meet business goals.
- Oversee the entire applications lifecycle (planning, design, implementation, upgrades, maintenance and support, decommissioning).
- Work with Avia Solution Group subsidiary companies on enterprise applications deployment and consult IT managers and business about IT solutions deployment.
- Coordinate teams work with other units in Digital Technologies Department (IT Infrastructure, Cyber Security, ServiceDesk, IT Governance etc.) and business process owners.
- Coordinate external vendors including contracts negotiations, work scope and responsibilities definitions and results control.
- Initiate and lead AI based innovations and business processes re-design, improvement.
- Be responsible for Enterprise Applications Unit budget and expenses control.

About you:

- 5+ years of experience as Engineering Manager, Team Lead or similar role.
- Strong technical knowledge about software development and standard software deployment processes.
- Strategic thinking and problem-solving skills.
- Excellent leadership and communication skills.

- Have project management, tasks planning and time tracking skills.
- Are familiar with ITSM principles.

Would be nice if you:

- Have data analytics solutions deployment experience.

What we offer:

- Opportunity to work in a vibrant international and ever-growing business aviation environment.
- Opportunities for professional and personal growth; foreign language trainings.
- Gym and Yoga classes for your physical health and Mindletic for mental health.
- Children's room where you can leave your kids to play with supervision (Vilnius based).
- Well-being initiatives focused on creating a healthy, balanced and engaging work environment.
- Various benefits related to employee life cycle in organization.
- Parking or public transport ticket.
- Electrical cars spots near the office.
- Discounts and special offers from various partners.

Salary: from 6200 € to 8500 € (brutto)

Avia Solutions Group, the world's largest ACMI (Aircraft, Crew, Maintenance, and Insurance) provider, operates a fleet of 145 aircraft on 6 continents.
