

TECHNICAL DEPARTMENT INTERN. VILNIUS, LITHUANIA

WHY US?

Avion Express is a narrow-body ACMI (Aircraft, Crew, Maintenance, Insurance) and charter operator. Avion Express provides top-level short and long-term aircraft wet-leasing (ACMI) solutions and also offers its clients aircraft on a charter basis. The company operates an Airbus A320 family aircraft fleet.

Avion Express is looking for ambitious professionals to support the company's matters and further development of the company. The position is based in Vilnius, Lithuania.

The company creates a supportive work environment and conditions for employees to grow, both professionally and personally.

DO YOU HAVE WHAT IT TAKES?

- Enrolled in or recently graduated from a relevant technical program (e.g., Aeronautical Engineering, Aviation Maintenance Technology).
- Passion about aviation with a strong desire to learn and grow in the field.
- Excellent communication and teamwork skills.
- Fluency in English, both spoken and written.

ARE YOU READY TO?

- Work closely with our experienced engineers, technicians and managers, gaining practical knowledge in aircraft maintenance control environment, planning and engineering.
- Participate in training sessions, tours and projects designed to enhance your understanding of aircraft systems and regulations.
- Connect with industry professionals and fellow interns, expanding your professional network and opening doors to future career opportunities.
- Receive mentorship and guidance from experts in the field, helping you develop skills essential for a successful career in aviation.

DOES IT SOUND APPEALING?

- Internship, based in Vilnius, Lithuania.
- Hands-On Experience with aviation professionals.
- Learning Opportunities for professional and personal growth.
- Interns selected for this opportunity will be granted a one-time scholarship of 500 euros net.
- Daily lunch compensation.

- Other benefits: gym for your physical health, daily fruits, and weekly pastries.

Avion Express is the largest narrow-body ACMI operator in the world. The company operates it's Airbus A320 family aircraft fleet across Europe, as well as Africa, South America and the Asia-Pacific region.
