

CERTIFIED MCC CONTROLLER. VILNIUS, LITHUANIA

WHY US?

Avion Express is a narrow-body ACMI (Aircraft, Crew, Maintenance, Insurance) and charter operator. Avion Express provides top-level short and long-term aircraft wet-leasing (ACMI) solutions and also offers its clients aircraft on a charter basis. The company operates an Airbus A320 family aircraft fleet.

Avion Express is looking for ambitious professionals to support the company's matters and further development of the company. The position is based in Vilnius, Lithuania.

The company creates a supportive work environment and conditions for employees to grow, both professionally and personally.

ARE YOU READY TO?

- Serve as the primary point of contact for addressing daily technical questions and resolving discrepancies.
- Provide professional technical advice to licensed aircraft engineers and flight crew.
- Monitor aircraft technical status to minimize the time required for rectifying MEL/CDL items.
- Oversee and coordinate AOG (Aircraft on Ground) events to minimize aircraft downtime.
- Handle various mandatory documents in accordance with regulatory requirements.
- Maintain continuous cooperation and communication with other departments and external providers to ensure the quickest possible recovery of the fleet.
- Verify that deferred defects addressed by Line Maintenance Engineers are completed correctly.
- Review, analyze, and administer incoming parts requests, and communicate with the Material and Logistics team.

DO YOU HAVE WHAT IT TAKES?

- EASA B1 or B2 aircraft license for the A320 family (can be currently valid or expired).
- Minimum of 3-5 years of experience in maintenance on A320 Family aircraft.
- Good understanding of technical operation procedures and manuals.
- Strong knowledge of civil aviation regulations, specifically EASA Part 145 and Part M.
- Understanding of aircraft maintenance planning.
- Proficiency in English, both spoken and written.
- Proficiency in computer usage.
- Experience working in complex organizations and demonstrate skills in cross-functional work interfaces.

DOES IT SOUND APPEALING?

- Position, based in Vilnius, Lithuania, with the possibility to discuss alternative shift rotations if relocation isn't possible.

- Friendly atmosphere in a modern business center.
- Competitive salary starting from €6600 gross per month, depending on your experience - or an equivalent daily rate in case of longer rotation options - plus a benefits package that includes private health insurance.
- Other benefits: lunch compensation, opportunity to book standby flights, access to the childcare room, gym for your physical and mental health (Mindletic), daily fruits and weekly pastries, birthday day-off, gifts for marriage, childbirth and other significant life occasions;
- Opportunities for professional and personal growth;
- Opportunity to work in a truly international business environment.
- Flexibility with working patterns - we're open to adapting shift rotations (e.g. longer on/off cycles).
- Assistance with relocation to Lithuania (if needed).
- We will provide opportunity to keep EASA B1 or B2 license current.

Salary: from 6600 € to 8265 € (brutto)
