

AIRCRAFT MAINTENANCE INSTRUCTOR (PUNTA CANA). PUNTA CANA, DOMINICAN REPUBLIC (THE)

ABOUT COMPANY:

FL Technics is a global provider of tailor-made services for aircraft maintenance, repair, and overhaul (MRO), delivering solutions to commercial aviation customers worldwide. FL Technics operates in a vast network of representative offices, hangars, and shop facilities, as well as the largest independent line maintenance stations network across Europe, Asia Pacific, Africa, the Middle East, and Canada.

Recognized as Top Employer of 2026, awarded by the Top Employers Institute, FL Technics demonstrates continuous effort and investments to create a great work environment and ensure the well-being of the ever-growing team in Lithuania and across the globe.

YOUR TASKS:

- Deliver practical and theoretical aircraft maintenance training to new and developing mechanics.
- Share hands-on experience in aircraft maintenance, procedures, safety, and technical documentation.
- Support mechanics during on-the-job training and monitor their progress and development.
- Provide guidance and mentoring to ensure trainees develop the required technical skills and knowledge.
- Prepare and deliver training materials, demonstrations, and practical exercises.
- Coordinate with Maintenance and Training teams to ensure training aligns with operational and safety requirements.
- Provide feedback on trainees' performance and identify areas for improvement.
- Promote a strong safety, quality, and compliance culture throughout the training process.

WHAT YOU SHOULD BRING:

- Minimum 5 years of aircraft maintenance experience, preferably in an MRO environment.
- Hands-on experience with Airbus A320 or Boeing 737 aircraft.
- Strong practical knowledge of aircraft maintenance procedures and practices.
- Previous experience in training, mentoring, coaching, or supervising maintenance personnel.
- Technical education in Aircraft Maintenance, Aeronautical Engineering, or a related field.
- Strong communication and interpersonal skills.
- Ability to explain technical concepts clearly and effectively.
- Native Spanish and intermediate English (B2).
- Willingness to work in Punta Cana and support operational training requirements.

WORKING AT FL TECHNICS:

- Exclusive experience to the aviation business industry;

- Additional private health and accident insurance;
- Discount system with partnering companies;
- Access to internal training and courses;
- Supporting and cheering for your success team;
- Competitive salary range, final offer will be proposed based on your experience and competencies.

Seize this opportunity to soar to new heights with FL Technics! Apply now and be part of a globally acclaimed team shaping the future of aviation.
