

## **HEALTH, SAFETY, AND ENVIRONMENTAL SPECIALIST (PUNTA CANA). PUNTA CANA, DOMINICAN REPUBLIC (THE)**

### **ABOUT COMPANY:**

FL Technics is a global provider of tailor-made services for aircraft maintenance, repair, and overhaul (MRO), delivering solutions to commercial aviation customers worldwide. FL Technics operates in a vast network of representative offices, hangars, and shop facilities, as well as the largest independent line maintenance stations network across Europe, Asia Pacific, Africa, the Middle East, Canada, and is now expanding to the Caribbean. FL Technics is part of Avia Solutions Group, the world's largest ACMI provider.

With the opening of our new hangar in Punta Cana, we are actively seeking exceptional individuals to join our MRO family and now we are looking for the experienced Health, Safety, and Environmental Specialist. This role is essential in ensuring compliance with Dominican Republic occupational health and safety regulations by developing, implementing, and monitoring workplace risk prevention programs that promote a safe and healthy work environment.

### **YOUR TASKS:**

- Coordinate and ensure compliance with occupational health and safety policies in line with Dominican Republic legislation.
- Identify and mitigate workplace risks, while designing and delivering training on prevention and use of PPE.
- Lead investigations of incidents/accidents, prepare reports, and implement corrective action plans.
- Organize evacuation drills, emergency response plans, and follow up on inspections from TSS or Ministry of Labor.
- Monitor safety indicators and update occupational health and emergency response plans as required.

### **WHAT YOU SHOULD BRING:**

- Bachelor's degree in Industrial Engineering, Occupational Health and Safety, or related fields;
- English proficiency at B2 level or higher;
- Spanish proficiency;
- Strong knowledge of data analysis and workplace risk assessment.
- Studies or certifications in Industrial Hygiene and Safety (preferred).
- Solid technical background with the ability to apply safety standards and best practices.
- Structured, accurate, and responsible work ethic.

### **WORKING AT FL TECHNICS:**

- Global Exposure - At FL Technics, we open doors to a world of boundless opportunities. Leading global group companies - from Vilnius to Canada, we are at the center of the MRO industry.

- Aviation Industry - where passion meets purpose. In this dynamic and ever-evolving industry, you will be part of a team that shares a deep love for aviation passion that unites us and fuels our determination to achieve greatness.
- Grow to Glow mindset - We believe in nurturing our employees' potential and investing in their growth. Our Grow to Glow goal is centered around providing access to continuous learning and development opportunities.
- Stay Well focus - At FL Technics, we understand that a healthy and balanced employee is a successful employee. We focus on promoting well-being and overall mental and physical health.
- Enjoy What You Do attitude - We strongly believe that a positive and enjoyable work environment enhances creativity and productivity.

Seize this opportunity to soar to new heights with FL Technics! Apply now and be part of a globally acclaimed team shaping the future of aviation.
