

## **AVIATION MECHANIC. BERGAMO, ITALY**

### **ABOUT THE COMPANY:**

FL Technics Wheels & Brakes Srl. is a subsidiary of FL Technics UAB, a provider of tailor-made services for aircraft maintenance, repair, and overhaul (MRO), delivering solutions to commercial aviation customers worldwide. FL Technics Wheels & Brakes Srl. is specialized in the maintenance and repair of aircraft wheels and brakes.

### **YOUR TASKS:**

- **Aircraft Wheel & Brake Maintenance.** Perform disassembly, cleaning, inspection, repair determination, and reassembly of aircraft wheels, brakes, and related components in accordance with approved maintenance data and authorized scope.
- **Defect Identification & Rectification.** Identify, declare, and rectify component defects during maintenance activities, ensuring all necessary repairs are initiated and completed to required standards.
- **Technical Documentation & Compliance.** Accurately complete and sign off job cards, worksheets, inspection items, and technical documentation, ensuring strict adherence to maintenance manuals, safety regulations, and internal procedures.
- **Work Order Management & Administration.** Receive, prioritize, and manage work orders and worksheets; perform required administrative tasks including data entry into ERP systems (e.g., AMOS).
- **Team Support, Safety & Equipment Handling.** Support production teams and other departments, distribute tasks based on qualifications and workload, ensure proper use and storage of tools and equipment, and maintain full compliance with occupational safety, environmental, fire safety, and civil protection requirements.

### **WHAT YOU SHOULD BRING:**

- Proven hands-on experience in aircraft maintenance, component overhaul, or wheel and brake systems.
- High school diploma or equivalent.
- Knowledge of aviation regulations, safety standards, and quality requirements.
- English language working proficiency.

### **WORKING AT FL TECHNICS:**

- Exclusive experience to the aviation business industry.
- Access to internal training and courses.
- Supporting and cheering for your success team.

- Competitive salary range, final offer will be proposed based on your experience and competencies.

Seize this opportunity to soar to new heights with FL Technics! Apply now and be part of a globally acclaimed team shaping the future of aviation.
