In this role, you'll be a key member of our IT Support team, providing hands-on assistance to ensure the smooth and efficient operation of IT systems and applications across organization. This is a great opportunity to grow your career in a dynamic, international environment where your contributions truly make a difference.

Main functions and responsibilities:

- Provide timely and effective support to end-users, addressing hardware and software issues on desktops, laptops, printers, and other peripherals.
- Assist users in troubleshooting problems and guide them through resolution steps.
- Efficiently manage and prioritize support tickets through a ticketing system.
- Ensure accurate documentation of issues, resolutions, and user interactions.
- Install, configure, and update software applications.
- Collaborate with other IT teams to resolve complex issues.
- Communicate effectively with users and team members, providing clear and concise information.
- Identify opportunities for process improvement and efficiency.

Requirements for the position:

- Bachelor's degree in Information Technology, Computer Science, or a related field.
- Proven experience in providing IT support and troubleshooting.
- Familiarity with various operating systems, including Windows and MacOS Proficient in hardware and software troubleshooting.
- Experience with help desk software and ticketing systems.
- Strong customer service orientation with a focus on user satisfaction.
- Patience and the ability to handle user issues in a professional manner.
- Ability to adapt to a fast-paced and changing IT environment.
- Willingness to learn new technologies and tools.

- Willingness to share knowledge and contribute to team success.
- Strong documentation skills for recording issue resolutions and creating user guides.

What we offer:

- Opportunity to work in a vibrant international and ever-growing business aviation environment.
- Opportunities for professional and personal growth; foreign language trainings.
- Gym and Yoga classes for your physical health and Mindletic for mental health.
- Children's room where you can leave your kids to play with supervision (Vilnius based).
- Well-being initiatives focused on creating a healthy, balanced and engaging work environment.
- Various benefits related to employee life cycle in organization.
- Parking or public transport ticket.
- Electrical cars spots near the office.
- Discounts and special offers from various partners.

Salary: from 1900 € to 2500 € (brutto)

Avia Solutions Group, the world's largest ACMI (Aircraft, Crew, Maintenance, and Insurance) provider, operates a fleet of 209 aircraft on 6 continents.
