

AIRCRAFT MAINTENANCE ENGINEER. MISSISSAUGA, CANADA

ABOUT FL TECHNICS:

FL Technics is a global provider of tailor-made services for aircraft maintenance, repair, and overhaul (MRO), delivering solutions to commercial aviation customers worldwide. FL Technics is operating in a vast network of representative offices, hangars, and shop facilities, as well as largest independent line maintenance stations network across Europe, Asia Pacific, Africa, Middle East, and Canada.

Wright International Aircraft Maintenance Services Inc, subsidiary of FL Technics based in Toronto, is a 30+ years trusted provider of MRO services in Canada, specializing in line maintenance.

For this purpose, we are looking for our locations: YYZ - Toronto Pearson International Airport

POSITION NAME: Aircraft Maintenance Engineer (March 2026 to October 2026 contract)

YOUR TASKS:

Carry out line maintenance (daily, weekly, service checks) on various aircraft types.
Perform other work on aircraft as outlined by applicable Inspection Instructions, Airworthiness Directives, Service Bulletins in accordance with accepted practices.
Ensure that all items of work are recorded and signed out as required on the applicable Maintenance Control forms.
Carry out any other assigned duties as directed by the supervisor/manager.
Track and plan maintenance activities and coordinate with Dispatch as required.

WHAT YOU SHOULD BRING:

Hold a valid Transport Canada M2 aircraft maintenance engineer license (Boeing 737 NG/Max endorsement).
Minimum 2 year of licensed AME experience and line maintenance experience is an asset.
Be familiar with the appropriate parts of the MPM, MCM, aircraft operations specifications and maintenance manuals necessary for the performance of his/her duties.
Applicant must be able to work independently and/or in a team environment and have good organizational skills, pro-active, result-oriented and strive for continued improvement.
Must have or be able to successfully obtain valid Airport Security Clearance (RAIC) including an airside driver's permit (AVOP) for YYZ- Toronto Pearson International Airport
Must be able to work a flexible schedule according to company needs.
Must be legally eligible to work in Canada, please note Wright International does not provide sponsorships.

WORKING AT FL TECHNICS:

Valuable experience in a dynamic and multinational environment;
Opportunities for professional development within the globally driven FLT Group;
Competitive salary
Per diem for candidates living outside GTA area - open to discussion

Wright International would like to thank all applicants, however, only qualified applicants will be contacted.

Job Type: Full-time, seasonal, night shift,554 schedule
