

FINANCIAL CONTROLLER. VILNIUS, LITHUANIA

ABOUT THE COMPANY:

FL Technics is a global provider of tailor-made services for aircraft maintenance, repair, and overhaul (MRO), delivering solutions to commercial aviation customers worldwide. FL Technics operates in a vast network of representative offices, hangars, and shop facilities, as well as the largest independent line maintenance stations network across Europe, Asia Pacific, Africa, the Middle East, and Canada.

Recognized as Top Employer of 2025, awarded by the Top Employers Institute, FL Technics demonstrates continuous effort and investments to create a great work environment and ensure the well-being of the ever-growing team in Lithuania and across the globe.

FL Technics is part of Avia Solutions Group, the world's largest ACMI provider, operating a fleet of 192 passenger and cargo aircraft worldwide.

YOUR TASKS:

- **Financial Reporting:** Lead the preparation of monthly management accounts (incl. variance analysis) and group reporting packs in accordance with International Financial Reporting Standards (IFRS).
- **Month-end closing:** Collaborate with colleagues from accounting, finance, and other business units to ensure smooth, accurate and timely period close and reporting processes.
- **Budgeting and Forecasting:** Oversee the annual budget, 5-year strategic plan, and quarterly re-forecasting preparation processes.
- **Financial Analysis and Modeling:** Conduct analysis of FL Technics Wheels and Brakes Group entities' financial and operational performance, implement cost-control measures to optimize profitability, and build various business models requested by management
- **Cash flow management:** Prepare weekly and monthly cash flow forecasts, and perform other ad-hoc analyses
- **Data Analysis and Power BI:** drive the development and implementation of data analytics initiatives, including Power BI dashboards
- **Continuous Improvement:** proactively lead continuous improvement initiatives (such as digitalization, process automation etc.) and implementation of Group policies and best practices.

WHAT YOU SHOULD BRING:

- At least 3 years of experience in a similar field (BIG4, financial analysis/controllership, financial accounting and reporting), preferably in an international company.
- Strong knowledge of IFRS and accounting requirements.
- Proactive, hands-on approach to developing, implementing, and improving financial processes across the Group

- Strong analytical skills with attention to detail
- A team player who actively communicates with stakeholders across multiple business units and countries to address and resolve issues
- Excellent communication and planning skills, with fluency in English.
- Experience with Navision Dynamics/MS Business Central, BI tools (e.g. Power BI), and databases is an advantage.

WORKING AT FL TECHNICS:

- Exclusive experience to the aviation business industry;
- Flexible working hours to promote work-life balance;
- Work remotely for up to one month a year;
- Additional private health and accident insurance;
- Discount system with partnering companies;
- Access to internal training and courses;
- Complimentary in-house gym and other sports activities;
- Supporting and cheering for your success team;
- Competitive salary range, final offer will be proposed based on your experience and competencies.

Seize this opportunity to soar to new heights with FL Technics! Apply now and be part of a globally acclaimed team shaping the future of aviation.

Salary: from 4500 € (brutto)
