

BUSINESS ANALYST. VILNIUS, LITHUANIA

ABOUT COMPANY:

FL Technics is a global provider of tailor-made services for aircraft maintenance, repair, and overhaul (MRO), delivering solutions to commercial aviation customers worldwide. FL Technics operates in a vast network of representative offices, hangars, and shop facilities, as well as the largest independent line maintenance stations network across Europe, Asia Pacific, Africa, the Middle East, and Canada.

Recognized as Top Employer of 2024, awarded by the Top Employers Institute, FL Technics demonstrates continuous effort and investments to create a great work environment and ensure the well-being of the ever-growing team in Lithuania and across the globe.

FL Technics is part of Avia Solutions Group, the world's largest ACMI provider, operating a fleet of 192 passenger and cargo aircraft worldwide.

We are looking for a detail-oriented and proactive Business Analyst to join Project Management Unit which mainly focuses on Enterprise systems implementations. The ideal candidate will have a strong will to learn business processes alongside business's most used Enterprise systems and will have ability to communicate effectively with both technical and non technical stakeholders.

YOUR TASKS:

- Working closely with various Business Units, understanding their processes and procedures;
- Identifying gaps and areas for Enterprise systems improvements;
- Gathering and documenting business requirements;
- Making sure that there is consensus among key stakeholders and Business Units;
- Collaborating with IT and third party vendors to ensure successful implementation and upgrades of Enterprise systems;
- Assisting Employees and colleagues with Enterprise system functionality related questions, providing end-user training;
- Processing and organizing data.

WHAT YOU SHOULD BRING:

- Strong ownership;
- Ability to solve complex tasks quickly and independently;
- Organizational, analytical and problem solving skills;
- Excellent collaboration and communication skills who can easily interact with all levels of Employees;
- Good English knowledge, both speaking and writing;
- IT and/or aviation background would be an advantage;

- ERP, Finance systems experience would be an advantage.

WORKING AT FL TECHNICS:

- Exclusive experience to the aviation business industry;
- Flexible working hours to promote work-life balance;
- Work remotely for up to one month a year;
- Additional private health and accident insurance;
- Discount system with partnering companies;
- Access to internal training and courses;
- Complimentary in-house gym and other sports activities;
- Supporting and cheering for your success team;
- Competitive salary range, final offer will be proposed based on your experience and competencies.

Seize this opportunity to soar to new heights with FL Technics! Apply now and be part of a globally acclaimed team shaping the future of aviation.

Salary: from 2300 € to 3000 € (brutto)
