

## **COMPLIANCE ADMINISTRATOR. FORT LAUDERDALE, UNITED STATES OF AMERICA (THE)**

**Are you ready to charter your own career?**

**The runway to success in global aviation begins here...**

Are you looking for an opportunity to work for a global brand where you can use your skills, be part of a diverse team and grow with a dynamic company? We are looking for a **Compliance Administrator** to join the team in **Fort Lauderdale, Florida**. The successful candidate will be expected to have some compliance experience, but training will also be provided.

### **Purpose of the Role**

- Support the Global Compliance Department in advising on risk-related inquiries.
- Complete tasks to support CF Group colleagues during the onboarding of KYC clients and vendors.
- Assist as subject matter expert on risk and compliance-related matters across the company brands including on fraud, money laundering and counter-terrorism, export controls, bribery and corruption, whistleblowing etc.

### **Responsibilities of the Role**

- Maintain a high-level view of the organization's compliance procedures, and serve as a subject matter expert on all compliance-related matters.
- Develop a deep understanding and working knowledge of systems, transaction flows and data used in the business.
- Perform compliance checks and monitor progress of new clients and/or vendors in the onboarding process.
- Be the primary point of contact for colleagues during the onboarding process.
- Respond to questions from across the Chapman Freeborn Group relating to compliance requirements.
- Provide status updates regarding the progress of onboarding activities. Ensure accurate tracking and documentation of the process.
- Assist with collection of metrics on the status of the onboarding and due diligence checks process.
- Maintain a database of risk information pertaining to third parties.
- Educate employees regarding regulatory and compliance procedures and policies.
- Use routine audits to identify potential compliance risks.
- Help implement policies, systems, or controls to reduce risk.
- Stay up to date with regulatory changes.

- Deliver reports regarding progress, challenges, and changes to our compliance procedures.
- Appropriately assess risk with regulatory change management and escalate to business leaders.
- Support the department with special projects on request.
- Provide advisory, support and guidance on compliance issues.
- Participate in conference calls to ensure effective sharing of information and full awareness of others in the Compliance Dept and those in other offices.
- Keep up to date with activities of other members of the Compliance department using the appropriate network of communication.
- Treat sensitive data with care and in a confidential and professional manner.
- To work in correlation with the global Compliance department and Brokers across the group. This list is not limited.
- To work in conjunction with the yearly or longer term strategies laid out by the Head of Compliance.

## **Qualifications**

- Recent graduate or early-career professional with full-time availability
- Strong analytical skills with foundational KYC knowledge (required)
- Ability to work accurately and efficiently under time pressure
- Basic understanding of corporate structures (required)
- Familiarity with sanctions or sanction regimes (required)
- Experience with export control regulations or export control classification (highly preferred)
- Experience using Dow Jones or Jones screening tools (highly preferred)
- Familiarity with E2Open, particularly for trade controls (highly preferred)
- Strong communication skills with the ability to partner with the business
- Positive, collaborative attitude and willingness to uphold compliance standards

## **What We Offer**

- Competitive salary
- Comprehensive benefits package
- Opportunity to join a global company and be part of a diverse international team
- Professional development and career opportunities
- Unlimited access to thousands of courses on LinkedIn Learning platform
