

SENIOR MANAGEMENT ACCOUNTANT. CAIRNS, AUSTRALIA

Welcome aboard!

Who We Are

Skytrans Australia is an Australian airline providing regional Regular Public Transport (RPT), ACMI (Aircraft, Crew, Maintenance, and Insurance), and Charter services, connecting communities across the country. The airline operates a fleet of 12 aircraft, including Dash 8 turboprops and Airbus A319 jets. Skytrans Australia is part of Avia Solutions Group, the world's largest ACMI provider, operating 142 aircraft across 6 continents and delivering a wide range of aviation services, supported by over 11,000 professionals across more than 250 subsidiaries worldwide.

About the Role

Reporting to the CFO, the Senior Management Accountant is a senior finance role responsible for driving financial performance, insight, and strategic decision-making across the organisation. This position owns the budgeting and forecasting cycle, delivers high-quality financial reporting, and provides commercially focused insights to the executive team.

As a trusted business partner, you will work closely with the CFO and senior leaders to shape financial strategy, optimise performance, and support key business initiatives, including investment decisions, pricing, and growth opportunities. You will also play a key leadership role within the finance function, overseeing and developing a Financial Analyst while ensuring the delivery of high-quality outputs.

This is a permanent, full-time opportunity based in either Cairns (Cairns Airport) or Brisbane (Southbank office), working standard business hours.

Key Responsibilities

- Lead budgeting, forecasting, and financial planning processes
- Deliver accurate, timely financial reporting and performance insights
- Provide strategic advice and partner with senior stakeholders
- Develop financial models, cashflow forecasts, and scenario analysis
- Monitor KPIs, risks, and performance improvement opportunities
- Support pricing, cost management, and profitability analysis
- Drive improvements in systems, reporting, and automation
- Ensure strong financial governance and compliance
- Lead and oversee a Financial Analyst, including mentoring and development

Requirements

- Qualifications in Accounting, Business, or Finance (CIMA, CA or CPA desirable)
- 5-10+ years' experience in management accounting or a related field

- Strong experience in financial reporting, budgeting, forecasting, variance and KPI analysis
- Advanced financial modelling and scenario analysis capability
- Strong understanding of cost behaviour, profitability, and commercial drivers
- Experience producing executive-level reporting and supporting strategic and investment decisions
- Experience leading finance team members
- Strong analytical, problem-solving, and commercial acumen
- Strong communication and stakeholder engagement skills, with high attention to detail, organisation, and professional integrity, and the ability to work both autonomously and collaboratively in a multi-cultural environment

How to Apply

If you have the skills and experience (or thereabouts), we would love to hear from you! Please submit your cover letter and resume addressing the points mentioned above.

Please note: Due to the volume of applications received, only shortlisted candidates will be contacted. Applicants must be eligible to live and work in Australia as either a citizen or permanent resident and be able to attend and successfully pass pre-employment and continuing medical, drug and alcohol pathology screening. Skytrans Australia is committed to equal opportunity employment through fair recruitment practices.
