

TECHNICAL PRODUCT MANAGER. VILNIUS, LITHUANIA

Every process and every process step are important in Aviation. Process automation and digitalization is integral part in Avia Solutions Group.

We help to our subsidiary's companies across the whole world to improve processes through automation and digitalization using Microsoft Power Platform technology stack: MS Power Apps, Power Automate, SharePoint and Power BI.

In our Digital Technologies Department we are looking for **Technical Product Manager** who will be one of key players in Avia Solutions Group digital strategy.

In this position you will:

- Be responsible for technical deployment of Documents Management System across Avia Solution Group companies using SharePoint Online, WorkPoint platform, Azure functions, Power Automate and Power Apps technologies.
- Work in team where we help each other to succeed.
- Collaborate closely with aviation processes experts.
- Create Solution Design Documents (SDDs).
- Contribute to teamwork processes improvement.
- Provide 3rd line support.

About you:

- Have Microsoft's SharePoint Online, Azure functions development experience.
- Have analytical thinking and willingness to learn.
- Are positive, creative, with a can-do attitude.
- Can work independently and in a team.
- Have good English skills.

Would be nice if you:

- Have experience with any Document Management System deployment.
- Have Microsoft's PowerApps, Power Automate experience.
- Have experience with any of the following programming languages: HTML, JavaScript, SQL.
- SharePoint Framework (SPFx).
- Have IT system integration experience (REST API, Web services).

What we are giving in advance:

- Highly ambitious and dynamic team, readily supporting and collaborating with colleagues in a

multicultural environment.

- Exciting projects in one of the world's most fascinating and innovative industries.
- Possibility to work from home if office space isn't your cup of tea.
- Health insurance package in compliance with company policy.
- Brand new modern office with on-site bistro, office bar, free gym, pool and tennis tables, and chill spaces.
- Discounts and special offers from various partners.
- Office bar.
- Children's room where you can leave your kids to play with supervision.

The salary range is flexible and can be adjusted based on the candidate's skills, experience, and overall fit for the role.

Salary: from 3000 € to 5000 € (brutto)

Avia Solutions Group, the world's largest ACMI (Aircraft, Crew, Maintenance, and Insurance) provider, operates a fleet of 221 aircraft on 6 continents. Supported by 14,000 professionals, the group is the parent company to over 250+ subsidiaries including SmartLynx Airlines, Avion Express, BBN Indonesia Airlines, and KlasJet. The group also provides a range of aviation services: MRO (Maintenance, Repair, and Overhaul), pilot and crew training, ground handling, as well as a variety of associated aviation.
