

SAFETY ANALYST. VILNIUS, LITHUANIA

We are looking for a detail-oriented and motivated **Safety Analyst** to join our team. In this role, you will play a key part in ensuring compliance with EU regulations, supporting safety investigations, and strengthening our Safety Management System by analyzing reports, identifying risks, and promoting a strong safety culture across the company.

DUTIES AND RESPONSIBILITIES:

- Process and analyze safety reports in line with EU regulations and the company's SMS.
- Identify and classify risks, propose actions, and follow up to ensure timely closure.
- Support safety investigations and contribute to risk assessments and the company risk register.
- Provide guidance on internal safety reporting and promote safety culture.
- Review safety processes, suggest improvements, and prepare safety publications.
- Participate in safety meetings and maintain safety performance indicators.
- Cooperate with the FDM Manager/Flight Safety Officer to support the FDM program.

REQUIREMENTS:

- Degree in aviation, engineering, or equivalent experience in commercial aviation.
- Knowledge of Safety Management Systems, principles, and practices.
- Professional, impartial, and safety-focused approach.
- Strong English communication skills (written and spoken).
- Knowledge of airline procedures and relevant safety/compliance training (SMS, CPT, Compliance Monitoring).

WE OFFER:

- An interesting and challenging position within an international company in a fast-moving and fascinating aviation industry.
- Opportunities to further grow and develop in the exciting and growing aviation company.
- Opportunity to improve and constantly acquire new knowledge (participation in training, seminars).
- Possibility to implement innovative ideas and solutions.
- Additional Health insurance according to the company policy.
- Modern office with free gym, tennis tables, and open chill spaces.
- Children's room where you can leave your kids to play with supervision.
- Other benefits from Avia Solutions Group.

We will be happy to discuss the specific amount during an interview based on your experience and qualifications.

Salary: from 2200 € to 3100 € (brutto)
