

ENGINEERING & ASSET MANAGEMENT SPECIALIST. VILNIUS, LITHUANIA

ABOUT COMPANY:

FL Technics is a global provider of tailor-made services for aircraft maintenance, repair, and overhaul (MRO), delivering solutions to commercial aviation customers worldwide. FL Technics operates in a vast network of representative offices, hangars, and shop facilities, as well as the largest independent line maintenance stations network across Europe, Asia Pacific, Africa, the Middle East, and Canada.

FL Technics is part of Avia Solutions Group, the world's largest ACMI provider, operating a fleet of 192 passenger and cargo aircraft worldwide.

YOUR TASKS:

Engineering Support

- Prepare, update, and manage production and repair work cards, ensuring compliance with technical standards
- Review CMM/SPM revisions and communicate key updates to Production and Procurement teams
- Assess defects, support internal inquiries, and coordinate with OEMs on repairs and warranty claims

Pool Management

- Monitor and control pool inventory across clients, parts, and components
- Track warranty claim status (internal/external) and manage escalations
- Forecast pool levels and parts consumption to ensure optimal stock and availability

Planning & Coordination

- Manage distribution and return of unserviceable units across facilities based on capacity
- Coordinate allocation of serviceable units to meet operational demands
- Develop short- and long-term forecasts for parts, units, and workforce planning

WHAT YOU SHOULD BRING:

- Proven experience in engineering support, MRO, or technical operations (preferably in aviation or a similar industry)
- Strong understanding of technical documentation and repair/maintenance processes
- Analytical mindset with experience in planning, forecasting, and inventory or pool management
- Excellent communication skills with the ability to collaborate across departments and with OEMs
- Ability to work independently, prioritize tasks, and make decisions in a dynamic environment

WORKING AT FL TECHNICS:

- Exclusive experience to the aviation business industry;
- Access to internal training and courses;
- Supporting and cheering for your success team;
- Competitive salary range, final offer will be proposed based on your experience and competencies.

Seize this opportunity to soar to new heights with FL Technics! Apply now and be part of a globally acclaimed team shaping the future of aviation.

Salary: from 2400 € to 3400 € (brutto)
