

## **SHORT TERM PLANNING ENGINEER. SANTA VENERA, MALTA**

We seek a detail-oriented **Short Term Planning Engineer** to join our dynamic team in Malta. In this role, you will be responsible for creating efficient maintenance plans, ensuring timely task completion, and coordinating closely with logistics and operations to support our 24/7 flight operations. If you have a strong background in aviation planning and thrive in a fast-paced environment, we want to hear from you!

### **Key Responsibilities:**

- Prepare daily and weekly maintenance plans for line stations.
- Maintain Work Orders and ensure timely completion of Weekly Checks.
- Perform scheduling of planned maintenance tasks.
- Collaborate with Logistics to ensure the availability of materials, tools, and equipment.
- Monitor aircraft forecasts daily and weekly to ensure maintenance tasks are completed within limits.
- Review and analyze Technical Log data.
- Control over and above costs through proper scheduling and task delegation.
- Assist the Planning Supervisor and Planning Manager with additional tasks as required.
- Operate within a 24/7 environment; this role is shift-based.

### **Requirements:**

- At least 2 years of aviation experience.
- Degree in Aeronautical Engineering or an equivalent field.
- Demonstrated ability to interpret maintenance requirements into actionable maintenance tasks.
- Knowledge of Boeing 737 MAX is a significant advantage.
- Familiarity with EASA rules and regulations, including Part-145 and Part-M.
- Proficient in English, both spoken and written.
- Strong computer skills and experience with data management tools.

### **This is why you will love to work with us:**

- Opportunity to work together with global aviation experts.
- International, friendly, modern, and comfortable work environment.
- Fully paid lunch and healthy snacks in the office.
- Advanced health insurance after the probation period.
- Paid day off on your birthday.
- For professional and personal development opportunities, join our Talent Academy, Leaders Club, or other development incentives.
- Corporate and social events.
- Competitive salary based on your competencies and experience.

*\*Please note that background checks will be conducted on all applicants and restrictions that can suspend the process of employment in accordance with the Law on Aviation Article 57.1. will be additionally evaluated.*

*By applying to this job advertisement, the applicant takes full responsibility for declaring truthful information. In case, if information submitted will be discovered false or the Background Check result will return negative, participation in the recruitment process will be terminated.*
