

B1 OR B1/B2 EASA 66 LICENSED AIRCRAFT ENGINEER BANGALORE AND MUMBAI, INDIA. BANGAON, INDIA

SmartLynx Technik is looking for experienced EASA66 licensed B1, B1/B2 engineers for our Bangalore and Mumbai stations to perform line maintenance on our A320 aircraft.

We offer flexibility that suits you best. You can opt for a Service Agreement with your LTD or consider an agency contract, whichever aligns with your preferences. Contract duration of 12 months with possibility of extending.

REQUIREMENTS

- Valid EASA Part-66 AML with B1 or B1/B2 category;
- Type rating on Airbus A320 CEO (work on A321 P2F version);
- Valid certificates for Human Factors, FTS lev2, and EWIS group 4 minimum and copy of type training certificate;
- At least 6 months of relevant experience on types in the last two years in the scope of specialization;
- Quality statements and references attesting experience in Line Maintenance on types;
- Relevant pages of personal experience log logbook;
- Category B driving license;
- Indian Visa and airport pass will be considered as an advantage.

ADDITIONALLY WE WILL PROVIDE

- We provide flexibility that best suits your needs. You can choose between a service agreement with your LTD or consider an agency contract, depending on your preferences;
- The contract has a duration of 12 months with the option to extend;
- Rotation: 14 days on, 14 days off (including travel dates), longer rotations available if preferred, for local residents 7/7;
- Daily fee from 450EUR-550EUR;
- 5-star hotel accommodation with three meals a day included (breakfast, lunch, dinner);
- Flight coverage for the beginning and end of each rotation;
- Local transportation is provided to/from the workplace;
- Full assistance and coverage of VISA and administrative costs. Ideally, you have an Indian VISA and security clearance for an airport pass;
- AIG international travel insurance is active while on duty for ex-pats;
- Uniforms provided by the company;
- Birthday Gift Card;
- Lunch is provided at the station during shifts.
