

LICENSED AIRCRAFT ENGINEER (B737 & A320). PUNTA CANA, DOMINICAN REPUBLIC (THE)

ABOUT THE COMPANY:

FL Technics is a global provider of tailor-made services for aircraft maintenance, repair, and overhaul (MRO), delivering solutions to commercial aviation customers worldwide. FL Technics operates in a vast network of representative offices, hangars, and shop facilities, as well as the largest independent line maintenance stations network across Europe, Asia Pacific, Africa, the Middle East, Canada, and is now expanding to the Caribbean.

With the imminent opening of our new hangar in Punta Cana, we are actively seeking exceptional individuals to join our innovative multibillion MRO family. The ideal candidates will be key contributors to our dynamic team, playing a pivotal role in shaping the success of our operations in the Dominican Republic.

FL Technics is part of Avia Solutions Group, the world's largest ACMI provider, operating a fleet of 214 passenger and cargo aircraft worldwide.

YOUR TASKS:

- Perform heavy maintenance on B737 and A320 aircraft.
- Ensure compliance with safety standards and quality assurance protocols during maintenance activities.

WHAT YOU SHOULD BRING:

- Valid Aircraft Mechanic License from one of the following (or equivalent):
 - TMA of Colombia
 - FAA A&P of USA
 - M2 of Canada
 - AFAC Class I or II Federal License of Mexico
 - Other AMT licenses complying with ICAO Annex I.
- More than 2 years of experience in heavy maintenance on B737 and A320 aircraft.
- Type training level 2/3 on B737 and A320 required.
- Fluency in English (spoken and written) and native Spanish speaker.
- Strong sense of responsibility, attention to detail, and a team-oriented mindset.

OUR ATTRACTIVENESS:

- Long-term contract with a stable workload.
- Competitive salary package.

- Opportunity to work in a vibrant and growing aviation market with global exposure.

WORKING AT FL TECHNICS:

- Global Exposure - At FL Technics, we open doors to a world of boundless opportunities. Leading global group companies - from Vilnius to Canada, we are at the center of the MRO industry.
- Aviation Industry - where passion meets purpose. In this dynamic and ever-evolving industry, you'll be part of a team that shares a deep love for aviation passion that unites us and fuels our determination to achieve greatness.
- Grow to Glow mindset - We believe in nurturing our employees' potential and investing in their growth. Our Grow to Glow goal is centered around providing access to continuous learning and development opportunities.
- Stay Well focus - At FL Technics, we understand that a healthy and balanced employee is a successful employee. We focus on promoting well-being and overall mental and physical health.
- Enjoy What You Do attitude - We strongly believe that a positive and enjoyable work environment enhances creativity and productivity.
