- IFRS knowledge and ability to apply daily considered as an advantage;
- High level of spoken and written English (basic knowledge of Swedish considered as an advantage);
- MS Office advanced user with high proficiency in MS Excel;
- Project management skills, analytical and critical thinking, pro-activity considered as an advantage.

Responsibilities:

- Organization of the Company's accounting function;
- Full-cycle accounting of day-to-day transactions (bank, payroll, taxes, etc.);
- Taxes calculation, declaration and reporting to the required authorities;
- Review and management of accounting related primary documents;
- Coordination of the auditing process and responsibility for its results;
- Preparation of a group reporting package including a report on intercompany transactions;
- Preparation of financial statements and reporting to required authorities;
- Preparation of management reports;
- Reporting to the Department of Statistics when needed;
- Participation in projects related to accounting function centralization and optimization;
- Organization of team work if needed;
- Consulting the management of financial matters;
- Implementation and development of analytical tools;
- Multicultural environment with business trips to Scandinavia.
- Ad hoc tasks.

What we offer:

- Opportunity to work in a vibrant international and ever-growing business aviation environment;
- Opportunities for professional and personal growth; foreign language trainings;
- Remote/hybrid work possibilities;
- Attractive salary and compensation package;
- Private health insurance;
- Gym, pool tables for your physical health and Mindletic for mental health;
- Children's room where you can leave your kids to play with supervision;
- Work in first of its kind office building with real aircraft inside;
- In-house canteen;
- Parking or public transport ticket;
- Electrical cars spots near the office;
- Discounts and special offers from various partners.

Salary: from 3300 € (brutto)

Avia Solutions Group, the world's largest ACMI (Aircraft, Crew, Maintenance, and Insurance) provider, operates a fleet of 221 aircraft on 6 continents.
